Tutorial #	Description	URL	Time	Date
	<p>How to learn a method - This is a recording of an online training session delivered to change ringers in London and Kent on Saturday 18th April 2020. The session focuses on 'how to learn a method'; we explore what a blue line is, how to divide up method learning into manageable chunks and ways of using method structure to help support your understanding of the method. There are also some lessons from educational and sports psychology thrown in for good measure.</p>	<p>https://www.youtube.com/watch?v=n-g0PWcni0I32:49</p>	32:42	4/18/2020
	<p>An introduction to handbell ringing - This is a recording of a webinar delivered to change ringers in London and Kent on Saturday 18th April 2020. The session focuses on change ringing on handbells, introducing the three basic positions for plain hunt on six bells and explaining how these can be used to ring a plain course of Plain Bob Minor on 1-2.</p>	<p>https://www.youtube.com/watch?v=q1-nEcEwIU</p>	34:07	4/18/2020
	<p>Calling simple touches - This is a recording of a webinar delivered to change ringers in London and Kent on Saturday 11th April 2020. The session focuses on calling simple touches, looking at the basics of saying 'go', 'that's all' and 'stand' through to calling touches of Plain Bob Doubles, Plain Bob Minor and Grandsire Doubles. There are also some helpful resources discussed at the end.</p>	<p>https://www.youtube.com/watch?v=6legmkcSEto</p>	39:05	4/11/2020
	<p>Listening Skills part 1 - This is a recording of an online training session delivered to bellringers in Kent and London on Saturday 2nd May. The session focused on listening skills on six and eight bells, using sound clips from Abel ringing simulator with errors to identify from one or two bells in each row.</p>	<p>https://www.youtube.com/watch?v=PXf-PD9JfE</p>	49:00	5/2/2020
	<p>Listening exercises - easy - This 10 minute training video has a series of listening exercises for bellringers to practise identifying errors in six-bell ringing. In this 'easy' level video, the errors are fairly significant until the last couple of minutes, and involve one bell being wrong in the same way on both handstroke and backstroke. Later videos will include multiple bells being out of place on different strokes.</p>	<p>https://www.youtube.com/watch?v=dubNvg5lhVo</p>	10:02	5/6/2020
	<p>Listening Skills part 2 - Listening skills for ringing call changes and methods - This is a recording of an online training session delivered to bellringers in Kent and London on Saturday 9th May. The session focused on listening skills on six bells, using sound clips from Abel ringing simulator to spot particular 'feature rows', pick out the position of different bells and follow the work of the treble.</p>	<p>https://www.youtube.com/watch?v=HPQOVrR_vz8</p>	34:23	5/9/2020
